Dolphin

ENGINEERING AND SERVICES LLC

ISO 9001:2015, ISO 14001:2015, ISO:45001:2018 Certified Company

BUSINESS PROFILE

Dolphin Engineering & Services LLC (DES) is a professionally managed Structural Steel Fabrication & Concrete Civil Foundation Precasting company. We are certified with Integrated Quality Management System - ISO 9001:2008, ISO 14001:2004 & OHSAS 18001:2007

Our company committed to meet the agreed timelines and delivering quality products that conform to the highest standards. Dolphin has successfully completed a number of projects spread across the Sultanate of Oman. Core strength of the company is its multi-disciplinary capabilities, highly skilled workforce, cutting edge techniques and sophisticated equipment.

Dolphin prides itself on the outstanding acumen of its professional team and the innovative technologies and equipment it employs. Backed by 48 years of experienced management team, DES currently has a team of 35 staff including Engineering Personnel, Administration, Audit & Accounts officers, other well-trained Professionals, and a supportive workforce to deliver quality products and services.

BUSINESS ACTIVITIES

The company started as a strategic business unit and has expanded its operations and activities to ensure sustained growth and development in its business.

Mechanical Engineering with Structural, Piping Fabrication & Erection

Dolphin provides a broad spectrum of Engineering services, ranging from concept to commissioning of all types of projects. Dolphin has over the years established a reputation for quality, service, and cost-effective technological capability, through far sightedness and sheer professionalism.
